**KEEPING COPPELL  
BEAUTIFUL NOW  
AND FOR THE  
FUTURE**

Recognizing Coppel-area businesses that are active in doing their part in helping the environment

## Our Mission

The mission of the **Coppell Green Team** is to promote environmental sustainability within the City of Coppell and to promote the interests of citizens, businesses, departments, groups and others that are committed and engaged in environmentally sustainable practices, procedures and operations within the City of Coppell.

## Member Pledge

Members of the **Coppell Green Team** pledge to commit and to actively implement environmentally sustainable practices, procedures and operations within our community. Members also pledge to comply with all federal, state and local environmental requirements.

The **Coppell Green Team** is a multi-tiered program designed to foster environmental awareness and create sustainable behavior.

### LEVELS OF PARTICIPATION

Members must meet at least one “green practice” in each of the 6 categories with a minimum total of:

**Level 1:** 15 pts | **Level 2:** 40 pts | **Level 3:** 60 pts

*Members must re-apply every 2 years to maintain qualification.*

Members are encouraged to increase their levels of participation by implementing additional elements of the program into their business.
